## Subscription Benefits

As a subscriber to the Pleasant Gap Fire Co. Ambulance Subscription program, you help to ensure that a quality ambulance service will be available when you might need it. Subscription benefits are in effect from January 1, 2025- December 31, 2025.

This subscription program is not a contract for the provision of ambulance services nor is it a solicitation for the offer or sale of an insurance product.

Your subscription fees cover your co-payments and deductibles, when you have insurance coverage, when permitted by law. If your insurance company reimburses us, we'll accept their payment as payment in full. If you are uninsured, you will be charged at the Medicare rate only and you will be responsible for that payment. Medicare beneficiaries may be billed for co-payments or deductibles as required by law. The subscriber acknowledges that the ambulance service will bill available third-party insurance for services rendered and agrees to remit any insurance payments received directly by the subscriber to the ambulance service. A mutual aid ambulance service may respond if our service is not available. The terms and provisions of this subscription program are subject to change without prior notice. All subscriptions are subject to acceptance by the ambulance service and may be cancelled or revoked at the ambulance service discretion.
